

Here is some valuable information to help you plan your trip to Whitehorse:

1. Air North is Yukon's airline! No charge for checked bags, & they feed you!!

Flights from Ottawa, Vancouver, Calgary, Edmonton, Kelowna, Inuvik & Yellowknife

<http://www.flyairnorth.com/>

PLEASE NOTE: to receive 10% off Air North flights use promotional code:

HAIKU2016

this discount is valid for travel from 06 May 2016 - 05 June 2016

2. Alaska state ferry

<http://www.dot.state.ak.us/amhs/>

3. cruise lines - Celebrity, Holland America, Princess & possibly other cruise lines have cruises to Alaska - the trick would be getting on or off in Alaska, & travelling from that point to or from Whitehorse

4. for International travellers: Condor begins its summer service flying between Frankfurt, Germany & Whitehorse on 29 May 2016 - **AFTER THE CONFERENCE** - so this might be used for a flight home

5. For those who prefer a travel agent to help with their travel arrangements, I recommend Denis O'Brien, Marlin Travel, Whitehorse (denis.obrien@marlintravel.ca)

AND KLONDIKE TRAVEL:

We offer complete conference and event travel services including airfares from around the world as well as with our regional airline Air North. Accommodations can also be booked with us on your block of rooms or alternatives if travellers desire. We also co-ordinate extended stays, cruises, and day activities...
